

304 Green Street -- \$ 85,000
John B. Deans House - ca. 1895

304 Green St – Contractor John Bruton Deans built this modest Queen Anne house, which he and his wife occupied until the 1940s, after which it was owned by GC Webb family. The porch features turned posts with side scrolled brackets supporting a spindle frieze with a turned balustrade below, and a wide front door with a tall transom.
