

308 Green Street -- \$ 103,000
Cicero Culpepper House – ca. 1895

308 Green Street – The front block of this Victorian home was constructed circa 1873. The entrance features a transom and sidelights with lancet shaped panes (ca. 1895); while the fluted spindle frieze and porch balusters exhibit a vaguely Chinese Chippendale design. Restored Queen Anne windows in the front and left wood shingled gables feature stained glass.

2300 sq', tankless water heater, central HVAC system, standing seam tin roof, large corner lot, heart pine floors throughout, large mother-in-law suite
